Subject: Request for TA Briefing - Periodic SOARCA Status Update

The staff would like to provide the Commission TAs the following briefing:

Subject

Staff requests a briefing of the Commission TAs on the status of the State-of-the-Art Reactor Consequence Analysis (SOARCA) project.

Summary

The purpose of the briefing is to inform the Commission TAs of the status of the SOARCA project. Additionally, NRC staff would like to share its proposed SOARCA slides for the 23rd RIC.

Rationale for the Request

This is a periodic briefing to the Commission TAs and is in response to SRM-COMSECY-06-0064.

Key Messages/Topics

The staff would like to keep the Commission TAs informed on the current status of the SOARCA project.

Additionally, the staff would like to share its proposed SOARCA slides for the 23rd RIC. The RIC topics include: (1) phenomenological uncertainty (SNL), (2) uncertainty analysis (NRC staff), and (3) perspectives from the SOARCA peer review committee (to be presented by a peer review committee member).

Proposed times
